ABOUT KUNYU

A PROFESSIONAL PARTNER FOR GLOBAL CANNED FOOD BUYERS

THREE CORE CATEGORIES. ONE RESPONSIVE EXPORT TEAM.

Practical specifications, flexible branding and buyer-focused order execution.

XIAMEN KUNYU FOOD CO., LTD. is a professional canned food exporter serving importers, distributors, wholesalers and food-service buyers. Our portfolio gives equal focus to canned fish, canned vegetables and canned fruits.

We coordinate product selection, specifications, labels, export cartons, inspection documents and shipment planning. OEM and private-label programs are available subject to product and order requirements.

PACKAGING & OEM

FLEXIBLE PRESENTATION FOR YOUR MARKET

01

PRODUCT

Recipe, size and drained weight

02

BRAND

Buyer artwork or KUNYU

03

CAN

Round, oval, EOE or normal lid

04

CARTON

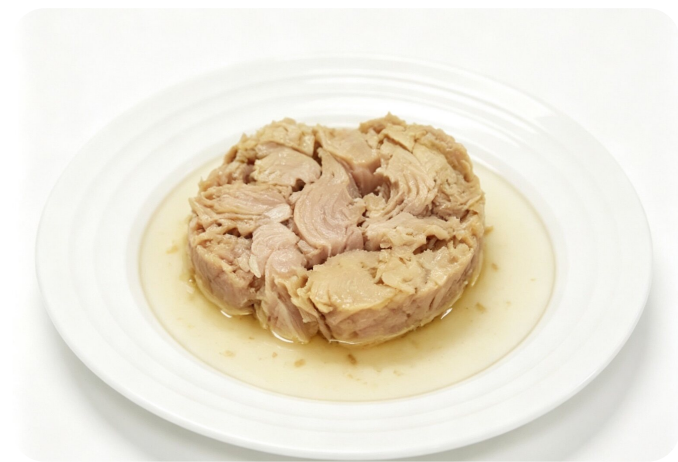

Marks, barcode and case count

LEVEL	COMMON OPTION	CUSTOMIZATION	CONFIRM BEFORE ORDER
Primary pack	Tin can	Label, litho, lid	Can size and coating
Secondary pack	Export carton	Print and carton marks	Case count and strength
Multipack	Shrink / tray	Sleeve or film	Retail configuration
Palletizing	Optional	Pattern and wrap	Destination requirement

Artwork approval, barcode ownership, destination-language text and regulatory statements remain the buyer’s responsibility unless otherwise agreed in writing.

CONTAINER LOADING

INDICATIVE CARTON RANGES FOR EARLY PLANNING

PACKING	20GP CARTONS	40HQ CARTONS
125g × 50	3,000-3,200	3,700-4,000
140g × 48	2,900-3,100	3,600-3,900
155g × 50	2,500-2,700	3,000-3,300
425g × 24	1,700-1,900	2,100-2,300
820g × 24	1,050-1,200	1,300-1,450
3000g × 6	1,250-1,400	1,500-1,700

IMPORTANT LOADING NOTE

Figures are indicative planning ranges only. Actual loading depends on can dimensions, carton dimensions, gross weight, pallet use, container payload, carrier limits and destination rules. Final loading must be calculated from the confirmed packing specification.

Mixed-container planning is available after product quantities and carton measurements are fixed.

NUTRITION REFERENCE

ILLUSTRATIVE VALUES PER 100G

PRODUCT	KCAL	PROTEIN	FAT	CARBS	SODIUM
Tuna in oil, drained	198	29.0g	8.0g	0g	320mg
